Clean, Friendly and Value for Money

Who is Kui Parks?

We are a national network of caravan parks for the travelling nomad. Many travellers on the road are looking for a good quality alternative to the more expensive / destination / family / holiday parks. Kui Parks delivers on the needs that our travelling nomads want from a caravan park. Research has shown that these criteria are most important when selecting a park: clean facilities, value for money, well maintained and friendly staff. That is precisely what we have done. We bring these parks together offering you an enjoyable and relaxing stay. For those travelling with pets, more than 96% of Kui Parks are pet friendly.
