There is a light at the end of the tunnel..... And we are getting ready for Recovery! Many of us are in need of Recovery - the caravan, camping and travelling type. Never before have I sensed such a hunger for travellers to get out there. Exciting times ahead, after what has been a pretty depressing time in isolation. There is certainly a buzz in the air as we await the lifting of the restrictions.

Kui Parks has not stopped. We may have been in isolation but that has not stopped us working hard at ensuring we stay on top of what is going on, preparing our parks for what we believe will be a busy time ahead. We have had many get togethers, thanks to digital conferencing working with parks in preparing them and ourselves for you, our valued members and guests, making sure we have all the tools and support in place to make your return special.

We have some exciting initiatives planned to welcome you back, so keep an eye on Facebook and our Newsletters.

Getting Ready with your Membership!

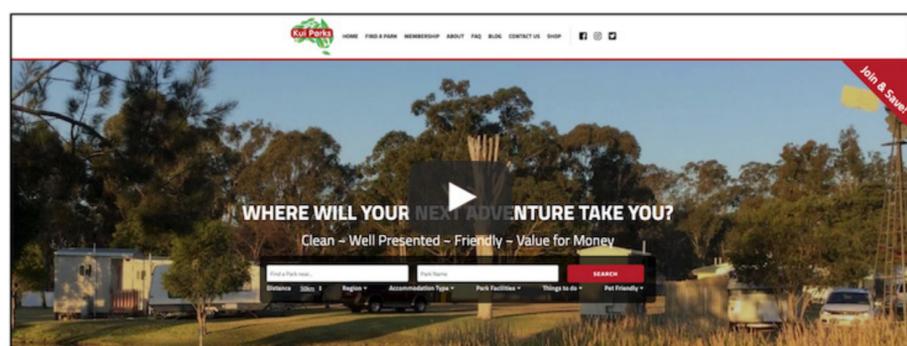

With the passion by all to hit the road again, we have seen a surge in renewals as many of our members prepare for their trips. **Kui Parks is extending all new and renewal Memberships by 3 months (from 24 to 27 months)**. This means that it's a small investment of just \$1.30 a month to get 100's of dollars discount over the next 27 months when you visit a Kui Park. Don't delay - take advantage of this great offer now.

Our online renewal process is quick & easy and has been significantly improved.

- To renew now you simply need to [click here](#).
- You will be able to use your **Email Address** or **Member Number** to **Login** and your **Postcode** will be your **Password**.
- Please check your Email, Mobile phone and Postal Address details to ensure these are up to date
- If you have any difficulty with renewing, please feel free to call us on 03 9730 2077 and we will be happy to assist you.

Website Changes

It is now so much easier to find a Kui Park on your travels!

We have been listening! We have identified a number of improvements we could make on our website to make your journey that much easier! We know that many of you are planning and getting ready for your next trip. Whether that be within your state or interstate, we want to make it easy for you to find a Kui Park on your travels.

We have been looking at ways in which your computer, tablet and phone can help you find our parks easier. We have made some major changes to the SEARCH functionality on our website. Why not have review this [short video](#) that shows just how easy it is to find our parks.

Kui Parks Vouchers Extension

If you have a Kui Parks Voucher in your possession, Kui Parks will extend the current expiry date that is on your voucher and will **automatically recognise the vouchers for up to 6 months AFTER the expiry date** on your voucher.

All parks have been informed of this change. We hope you get the opportunity to enjoy your voucher at a Kui Park soon!

Frequent Stayer Program Winners

Our sincere Congratulations to the winners of our March draw. We thank you for your support and trust you enjoy using your vouchers.

Due to the restrictions imposed on us all to travel, we have had to halt any monthly draws for prizes with the Frequent Stayer Program from April onwards. Once the interstate borders are opened we will start up the program again. If you are able to complete the cards with the limited travel available now, please send the completed cards in or hand them to one of our friendly park hosts.

All cards we have received in this period will be held over for a draw, as soon as the interstate travel is resumed.

We have some exciting changes to the program which we will announce when we are free to travel. More opportunity to win and easier to get into the draw. So hold on to your Frequent Stayer Cards and be sure to have them punched the next time you stay at a Kui Park.

I am looking forward to seeing you on the road!

Keep your distance between your rigs and each other!

Safe travels & take care.

Kind regards
